Market closing—The last hour's trading was active and prices advanced to the best for the day for most issues. American Telephone stock sold up to 112 1/4 and closed at the top. New York Central rallied to 91 3/4, closed at 91 1/2, and Amalgamated Copper at 70 1/4 was 11 1/2 above Monday's close, while New Haven closed at 61 1/4, showing a net gain of 5 1/4 for the day.

The final prices showed gains all through the list with few exceptions, one of which was Canadian Pacific, as this stock closed at 104 3/4, showing a loss of 1 1/4 from Monday's close. Opening was fairly active and firm, keen observers said that the market was in an overbought condition. There was no appearance of aggressive buying, however, and shorts behaved no unbusinesslike regarding their commitments.

New Haven was active and advanced to 61 1/4, compared with 55 3/4 at the close on Monday. There was considerable demand for the stock from shorts, and it was contended that investors are seeking to average on their holdings now that the worst was known.

American Telephone opened 3 1/2 up at 112 1/4, and on shorts buying advanced to 112 1/4.

Canadian Pacific was weak, opening at 104 3/4, a loss of 1 point. More strength was shown by market in first half hour than at any time on Monday, but dealings were almost entirely professional.

The market in the early part of the afternoon was dull and irregular, with some issues inclined to react from the higher level. New Haven sagged off to 61 1/4, Northern Pacific to 105 3/4 and Great Northern preferred to 121, with very little stock coming out and most issues neglected as trading came to a standstill, but after 1 o'clock the market picked up in activity and fractional advances took place.

TORTURING ITCH

CHICAGO WHEAT AND CORN MARKETS.

There is no earthly need of itching and scratching. No matter how long you have suffered, no matter how many treatments you have tried, there are thousands who have been in as bad a plight, and who have found perfect skin health in Resinol. In even the stubbornest cases of eczema, ringworm or other tormenting, unsightly humor, a warm bath with Resinol Soap and a single application of Resinol Ointment stop the itching instantly. Healing begins at once, and soon this simple, pleasant and economical treatment clears the trouble away. After that, the regular use of Resinol Soap for the toilet and bath is usually enough to prevent its return.

Resinol Soap (50c) and Resinol Ointment (50c and \$1.00), are also speedily effective for pimples, blackheads, dandruff, sores and many forms of piles. Prescribed by doctors for the past eighteen years, and sold by practically every druggist in the United States. For trial free, write to Dept. 31-H, Resinol, Baltimore, Md. Buy in the original blue package and avoid "substitutes."

Wheat opened 3 1/2 lower on very light business. Traders, while rather bullish, are not operated to any extent, but waiting developments. Receipts are somewhat lighter.

Corn opened firm, 1 1/4 higher to 1 1/4 lower, with short interest, good buyers in spite of heavy receipts. The Western receipts yesterday and to-day amount to about 4,000,000 bushels. Prices advanced from 1 1/2 to 1 1/4 during the morning.

Wheat closed 1 1/2 to 3 1/4 above Monday's close.

Corn advanced in the afternoon and closed 1 1/2 to 3 1/4 higher.

NEW YORK COTTON MARKET.

Monday's Close. Open. High. Low. Close. 12.65 Dec. 12.65 12.70 12.51 12.59 12.65 Jan. 12.53 12.56 12.52 12.43 12.64 March 12.78 12.78 12.65 12.43 12.64 May 12.87 12.70 12.59 12.40 12.56 July 12.87 12.42 12.48 12.56

Market opened steady from 1 to 4 points higher.

Foreign cables better and rumors that West India of London had given expression to the belief that consumption was more likely to exceed their preliminary estimate of 11,750,000 bales than to fall below that total gave strength to prices at opening. Cotton prices broke sharply in late morning on report by Turner on spinning. A good deal of short covering developed, but bulls were discouraged on action of the mar-

ket, although prices rallied somewhat from the break.

Final prices were steady at 1 to 1 points below Monday's close.
